Professional Experience

2024/12 – Present
Istanbul, Turkey

Digital Marketing & Media Buying Specialist

Vestel ☑

- Manage approximately TRY 600M in annual media investment across Google Ads, Meta, DV360, programmatic, Criteo, TV, outdoor, print, influencer, publisher partnerships and sports sponsorship activations.
- Plan and coordinate full-funnel media activity from briefing and channel allocation through buying, campaign monitoring, optimization, budget control and post-campaign reporting.
- Analyze campaign and budget performance, translate KPI results into actionable recommendations, and collaborate with agencies and internal brand, product, creative and commercial stakeholders.
- Played a core role in Orphex and Datorama reporting integrations, improving the structure and accessibility of media performance data.
- Contributed to a CLTV initiative and gained hands-on experience in CRM, customer lifetime value, audience insights and app-side integration workflows.

2022/10 – 2024/09
Istanbul, Turkey

Digital Marketing & Media Buying Part-Time

Vestel

- Supported planning, buying, execution and end-of-campaign reporting for integrated digital and offline advertising activity.
- Analyzed communication and campaign data using Google Analytics, Datorama and Excel, building a foundation in KPI tracking and data-led media recommendations.

2024/01 – 2024/06
Istanbul, Turkey

Freelance Web Content & Product Manager (Remote)

E-commerce Website for a US-based Tobacco Products Company

- In 2024, I worked remotely as a freelance content and product manager for the e-commerce website of a US-based tobacco products company. I was responsible for uploading new products, editing and organizing product images, and creating SEO-friendly product titles, descriptions, and categories — all in English.

2022/01 – 2022/07
Istanbul, Turkey

Game Developer Intern

PoliVR

- Completed a six-month development-focused placement in a virtual reality company, contributing in a team environment and building practical skills in Unity 3D, planning and cross-functional communication.

2018/06 – 2018/09
Antalya, Turkey

Crewmate

McDonalds

- As I am a part of a team in the service sector, I am suitable for group work. In this role, I improved my crisis management, time management, and interpersonal communication skills.

Education

2024/09 – 2024/12
Istanbul, Turkey

Mini Executive MBA

Koc University 

- I had the opportunity to take MBA courses from Koç University with the Vestel MT program. In 3 months, I completed financial management, accounting, global economy, marketing, and various personal development pieces of training. endations.

2019/09 – 2024/06
İstanbul, Turkey

Computer Education and Technology

Boğaziçi University

3.07 GPA

Projects

2020/01 – 2022/06

Görmezden Gelme

For 2.5 years, I gained the experience of working in a team and managing a certain group by doing various projects on behalf of the society and the club we support. I took part in the "Görmezden Gelme" project within the scope of UNIFEB CARES projects supported by Europe
